TEAM CONTRIBUTION & IP CONFIRMATION AGREEMENT

"Playground Life"

> *NOTICE: This document is prepared for informational purposes and is not legal advice. It does not replace a lawyer. Each party should have it reviewed by a qualified lawyer in the Republic of Kosovo before signing.*

This Agreement is made on _____ _____ **20**_____ between:

- **Erion Beka**, of Str. Zekeria Cana, House No. 4, Laxha e Profesoreve, Prishtina, Republic of Kosovo (the "**Author**"); and
- **the four persons named in the signature blocks below** (each a "**Confirming Party**" and together the "**Confirming Parties**").

Each a "**Party**" and together the "**Parties**".

RECITALS

A. The Author has created, alone, the software, documentation, design, code, interfaces and assets known as "**Playground Life**" (together, the "**Work**").

B. The initial idea was presented at the **pristina.innovate.healthcare** hackathon (04–06 April 2025, Prishtina, organised by HealthCare Futurists GmbH).

C. At that event **only a slide presentation and a few small pictures** of how the app might look were presented. **The application was not submitted** to the hackathon, and no working code, repository or build of the application was handed over to the organiser or anyone else at that event. The output of the event was **presentation material only** (slides and images), not software.

D. The present codebase and the Work in its current form were **created after the event**, beginning in **April 2026** — about one year later — and are **not a hackathon submission**.

E. Under **Art. 7** of the Law, the author is the **natural person who created the work**. The Author created the Work. The Confirming Parties did not create the Work and made no creative contribution to it.

F. The Parties confirm that, under **Art. 15** of the Law, copyright arises **automatically on creation** and **no registration** or other formality is required for its existence or enforcement.

G. The purpose of this Agreement is to remove all doubt and prevent any misunderstanding about title to the Work, by confirming clearly and irrevocably that **the Author is the sole owner** of the Work.

Accordingly, the Parties agree as follows.

1. CONFIRMATION OF FACT

1.1 Each Confirming Party confirms that, to the best of their knowledge, they did **not create** the Work and are **not its author or co-author** within the meaning of Arts. 7 and 9 of the Law.

1.2 Any specific contribution a Confirming Party believes they made must be described in writing on their signature line. A line left blank is confirmed as **"none"**.

1.3 Without limitation, the following do **not** constitute a creative contribution and create no right in the Work: team, group or hackathon participation; discussing the idea or giving opinions, comments or suggestions; attending meetings, chats, presentations or group activities; presenting slides or sharing pictures or materials prepared by the Author; testing, reviewing, commenting on or using the Work; logistical, administrative, financial, motivational or organisational tasks; the general idea, concept or

theme (which is not protected as such by copyright); and any oral, informal or undocumented involvement.

1.4 Each Confirming Party confirms that they were **not engaged** by the Author (or anyone else) as employee, employer, contractor, consultant or co-author in relation to the Work, and were **not paid** and were not promised payment or remuneration for the Work, except as stated on their signature line.

1.5 Each Confirming Party confirms that the Author is the **only person** who created the Work and that the Confirming Party has **no right, title or interest** in the Work or any part of it.

1.6 Each Confirming Party confirms that they do **not possess** and have not retained any copy, clone, branch or material of the Work that was not lawfully made available to them by the Author.

2. CONFIRMATORY ASSIGNMENT

2.1 **To the extent** — and only to the extent — that a Confirming Party owns or may be regarded as owning any right, title or interest in the Work, that Confirming Party **hereby assigns to the Author**, absolutely and unconditionally, with effect from the creation of the Work, all of their right, title and interest in the Work, including all economic rights under Art. 23 of the Law and all rights to remuneration.

2.2 As a result of this assignment, **the Author is the new and sole owner** of the rights assigned (Art. 37(1) of the Law).

2.3 **Mandatory content (Art. 38).** The Parties specify: **nature and extent of use** — all forms of exploitation of the Work and the right to authorise or prohibit exploitation by others; **duration** — the entire legal term of protection (the author's life plus **70 years**, Art. 65(1)); **territory** — worldwide; **remuneration** — none (see clause 9).

2.4 The Parties deliberately choose the broadest lawful scope. Had they left these matters unstated, the Law would imply a term of only **3 years** (original form) or **5 years** (adapted/translated form) (Art. 38(3)) and a territory limited to the **Republic of Kosovo** only (Art. 38(2)).

3. EXISTING WORKS ONLY

This Agreement covers only the **existing, identified Work**. It does not purport to assign or authorise any right in an indefinite number of as-yet-uncreated future works, which under **Art. 39(1)** of the Law would be invalid.

4. MORAL RIGHTS

4.1 The Parties acknowledge that under **Art. 22(1)** of the Law moral rights **cannot be transferred or licensed**, and this Agreement does not attempt to do so.

4.2 To the extent a Confirming Party holds or claims any moral right in the Work, that Confirming Party (i) **waives**, to the fullest extent permitted by the Law, the right of regret (Art. 21) and any moral-right claim over the Work, and (ii) **consents**, for the purposes of Art. 22(2), to the Author's use, reproduction, modification, distribution and exploitation of the Work.

4.3 The Author's own moral rights — the right of first publication (Art. 18), the right to be recognised and named as author (Art. 19), and the right of integrity (Art. 20) — remain his and are protected **without limitation in time** (Art. 64).

5. COVENANT NOT TO ASSERT

Each Confirming Party covenants not to assert, and not to assist any other person to assert, against the Author, his successors, licensees or customers, any claim of ownership, authorship, moral right or compensation in respect of the Work.

6. NO ADMISSION OF WRONGDOING

This Agreement is not an admission by any Party of any wrongdoing. It is a good-faith record of facts and a settlement of any present or potential doubt about ownership.

7. WARRANTIES

Each Confirming Party warrants that: (a) the facts they confirm in clause 1 are true to the best of their knowledge; (b) if they contribute, the contribution is their own original work, or they hold all rights necessary to assign it; (c) they have not previously assigned, licensed or encumbered any right purported to be assigned here; (d) they have disclosed in writing any third-party or AI-generated material relating to the Work of which they are aware; (e) they have full capacity and authority to enter into this Agreement; and (f) they are under no contractual, employment or legal obligation that prevents them from doing so.

8. CONFIDENTIALITY, THIRD-PARTY DISCLOSURE AND AI TOOLS

8.1 Each Party shall keep confidential the contents of this Agreement and any non-public information concerning the Work (the "**Confidential Information**"), and shall not disclose it to any third party without the Author's prior written consent.

8.2 Without limiting clause 8.1, **disclosing or uploading the Confidential Information to an external, third-party artificial-intelligence, cloud-computing or data-processing service that is not under the disclosing Party's sole control is a disclosure to a third party** for the purpose of clause 8.1 and requires the Author's prior written consent.

8.3 Clause 8.2 does **not** restrict disclosure: (a) to a Party's own legal, tax, financial or other professional advisers who are under a duty of confidentiality; (b) as required by law, a court or a competent authority; or (c) of information that becomes public other than through a breach of this Agreement. Nothing in this clause limits any Party's rights over their **own personal data** under **Law No. 06/L-082 on Protection of Personal Data**.

8.4 A breach of this clause does **not** affect the validity or continuing effect of the confirmations, assignment, waiver or covenants in this Agreement, which remain in full force. The remedy for a breach of this clause is **compensation for the loss proven to result from the breach**, and **not** the loss or forfeiture of any right under this Agreement.

8.5 The Parties acknowledge that a Party who owns no right in the Work (see clause 1) has **no right capable of being forfeited**, and that nothing in this clause creates, transfers or confirms any ownership.

9. CONSIDERATION

As consideration for the confirmations, assignment, waiver and covenants in this Agreement, the Author grants each Confirming Party the recognition stated on their signature line (if any). The Parties acknowledge that no monetary payment is required for the validity of this Agreement.

10. INDEMNITY

10.1 Each Confirming Party shall indemnify and hold harmless the Author against any loss, damage, cost or third-party claim arising from (a) a breach of the warranties in clause 7, or (b) any claim by that Party

to rights in the Work that is inconsistent with this Agreement.

10.2 This obligation survives the termination or expiry of this Agreement.

11. FURTHER ASSURANCES

Each Confirming Party shall, at the Author's request and expense, promptly execute any further document reasonably necessary to give full effect to this Agreement and to evidence, record or register the transfer of any rights.

12. GOVERNING LAW AND JURISDICTION

This Agreement is governed by the **laws of the Republic of Kosovo**. The Parties submit to the exclusive jurisdiction of the **competent courts in Prishtina, Republic of Kosovo**. Supplementary matters not regulated by the Law are governed by the applicable Kosovo law on obligations, **Law No. 04/L-077** (Art. 40(7) of the Law).

13. MISCELLANEOUS

13.1 **Entire agreement.** This Agreement is the entire agreement between the Parties on its subject matter and replaces any prior understanding.

13.2 **Severability.** If any provision is held invalid, the rest remains in force and the invalid provision is replaced by one as close as possible in effect.

13.3 **Counterparts and electronic signature.** This Agreement may be signed in separate counterparts, each of which is an original. An electronic or scanned signature has the same effect as a handwritten one.

13.4 **Notices.** Notices are sent to the Parties at the addresses stated in this Agreement or their last known address. Notice by email is deemed received on the day of sending.

13.5 **Survival.** The clauses on confidentiality, warranties, indemnity, further assurances and governing law survive the termination or expiry of this Agreement.

13.6 **Copies.** Each Party receives a copy after signing.

SIGNATURE BLOCKS

Each person signs only their own block.
