Team Contribution & IP Confirmation Agreement

Playground Life

> **NOTICE:** This document is prepared for informational purposes and is not legal advice. It does not replace a lawyer. Each Party should have it reviewed by a qualified lawyer in the Republic of Kosovo before signing.

This Agreement is made on **____ _____ 20____** between:

- **Erion Beka**, of Str. Zekeria Cana, House No. 4, Laxha e Profesoreve, Prishtina, Republic of Kosovo (the "Author"); and
- **the four persons named in the signature blocks below** (each a "Confirming Party" and together the "Confirming Parties").

Each a "Party" and together the "Parties".

RECITALS

A. The Author has created, alone, the software, documentation, design, code, user interfaces and assets known as **"Playground Life"** (together, the "Work").

B. The initial idea was presented at the **pristina.innovate.healthcare** hackathon (04–06 April 2025, Prishtina, organised by HealthCare Futurists GmbH).

C. At that event **only a slide presentation and a few small pictures** of how the app might look were presented. **The application was not submitted** to the hackathon, and no working code, repository or build of the application was handed over to the organiser or to anyone else at that event. The output of the event was **presentation material only** (slides and images), not software.

D. The present codebase and the Work in its current form were **created after the event**, beginning in **April 2026** — about one year later — and are **not a hackathon submission**.

E. Under **Art. 7** of the Law, the author is the **natural person who created the work**; computer programs are protected works (Art. 5(2.2)). The Author created the Work. The Confirming Parties did not create the Work.

F. Under **Art. 9** of the Law, a work of joint authorship is the result of the **joint creative efforts** of two or more authors. No Confirming Party made any such joint creative effort.

G. Under **Art. 15** of the Law, copyright arises **automatically on creation** and **no registration** or other formality is required for its existence or enforcement. The Author is protected as a resident of the Republic of Kosovo (Art. 16).

H. The purpose of this Agreement is to remove all doubt and prevent any misunderstanding about title to the Work, by confirming clearly and irrevocably that **the Author is the sole owner** of the Work.

I. Each Party enters into this Agreement **voluntarily**, has had the opportunity to obtain **independent legal advice** before signing, and signs without any threat, duress, fraud or undue influence.

Accordingly, the Parties agree as follows.

1. DEFINITIONS

1.1 **"Work"** means, without limitation and in any form or medium, all of the following, whether in source form, object form, drawing or expressed idea: source code, object code, scripts and any software component; software architecture, models, diagrams and technical documentation; databases, data schemas and configurations; user interfaces (UI/UX), graphic design, icons, logos and visual style; texts, labels, content and user manuals; images, photographs, sounds, animations and any other digital asset; algorithms, business logic and embedded know-how; the presentation materials (slides) and images prepared for or presented at the hackathon, to the extent they relate to the Work; and every prior version, variant, copy and update of the foregoing.

1.2 **"Law"** means **Law No. 08/L-205 on Copyright and Related Rights** (Official Gazette of the Republic of Kosovo No. 22/2023, 12 October 2023; in force 27 October 2023), which repealed Law No. 04/L-065, Law No. 05/L-047 and Law No. 06/L-120 (Art. 146 of the Law).

1.3 **"Obligations Law"** means **Law No. 04/L-077 on Obligational Relationships** (Official Gazette No. 16/2012, 19 June 2012).

1.4 **"Rights"** means: (a) copyright; (b) moral rights; (c) the exclusive economic rights under Art. 23 of the Law and all rights to remuneration; (d) related rights, to the extent applicable; and (e) every other copyright, neighbouring, sui generis or intellectual-property right, title or interest of any kind, in any jurisdiction.

1.5 **"Confidential Information"** means the contents of this Agreement and any non-public information concerning the Work.

2. CONFIRMATION OF FACT

2.1 Each Confirming Party confirms that, to the best of their knowledge, they did **not create** the Work and are **not its author or co-author** within the meaning of Arts. 7 and 9 of the Law.

2.2 Any specific contribution a Confirming Party believes they made must be described in writing on their signature line. A line left blank is confirmed as **"none"**.

2.3 Without limitation, the following do **not** constitute a creative contribution and create no right in the Work: team, group or hackathon participation; discussing the idea or giving opinions, comments or suggestions; attending meetings, chats, presentations or group activities; presenting slides, or sharing pictures or materials prepared by the Author; testing, reviewing, commenting on or using the Work; logistical, administrative, financial, motivational or organisational tasks; the general idea, concept or theme (which is not protected as such by copyright); and any oral, informal or undocumented involvement.

2.4 Each Confirming Party confirms that they were **not engaged** by the Author (or by anyone else) as employee, employer, contractor, consultant, agent or co-author in relation to the Work, and were **not paid**, promised, or otherwise entitled to any payment or remuneration for the Work, except as stated on their signature line.

2.5 Each Confirming Party confirms that the Author is the **only person** who created the Work, and that the Confirming Party has **no right, title or interest** in the Work or in any part of it.

2.6 Each Confirming Party confirms that they do **not possess** and have not retained any copy, clone, branch, version or material of the Work that was not lawfully made available to them by the Author.

3. CONFIRMATORY ASSIGNMENT

3.1 **Assignment.** To the extent — and only to the extent — that a Confirming Party owns or may be regarded as owning any right, title or interest in the Work, that Confirming Party **hereby assigns to the Author**, absolutely and unconditionally, with effect from the creation of the Work, all of their right, title and interest in the Work, including all economic rights under Art. 23 of the Law, all rights to remuneration, and all present and future claims, remedies and causes of action in respect of the Work.

3.2 **New owner.** As a result of this assignment, **the Author is the new and sole owner** of the rights assigned (Art. 37(1)). This is a transfer of **ownership** and not a mere licence.

3.3 **Mandatory content (Art. 38(1)).** The Parties specify: **nature and extent of use** — all forms of exploitation of the Work known at the date of this Agreement and the right to authorise or prohibit exploitation by others; **duration** — the entire legal term of protection (the author's life plus **70 years**, Art. 65(1)) and, in any event, the longest period permitted by law; **territory** — worldwide; **remuneration** — see clause 10; and **conditions and time of payment** — not applicable, as no remuneration is due.

3.4 **Broadest lawful scope.** The Parties deliberately choose the broadest scope permitted by law. Had they left these matters unstated, the Law would imply a term of only **3 years** (original form) or **5 years** (adapted/translated form) (Art. 38(3)) and a territory limited to the **Republic of Kosovo** only (Art. 38(2)).

3.4.1 The Parties confirm that, had any term of this Agreement been unclear, **Art. 38(5)** of the Law would require the ambiguity to be resolved in favour of the **author**. The Parties therefore record that they intend the broadest lawful scope and that the provisions of this Agreement are to be read to give the Author the fullest transfer permitted by law. Any ambiguity shall **not** be construed against the Author.

4. EXISTING WORK ONLY; NO FUTURE WORKS OR UNKNOWN USES

4.1 **Existing work only.** This Agreement covers only the **existing, identified Work**. It does not assign or authorise any right in an indefinite number or unidentified purpose of as-yet-uncreated **future works**, which under **Art. 39(1)** of the Law would be invalid.

4.2 **Unknown uses.** This Agreement does not purport to authorise, as a separate unknown use, any method of exploitation that was **entirely unknown** at the date of this Agreement. However, as permitted by **Art. 39(2)** of the Law, each method of exploitation that is **already known** at that date, and any method that **evolves from** a known method (including a method of the same kind using new technical means), is included within the assignment of the existing Work.

4.3 **Invalid clauses.** Any clause of this Agreement that is contrary to the Law is **void**, and the provisions of the Law apply in its place (Art. 39(3)).

5. CO-AUTHOR WAIVER (SUBSIDIARY AND INDEPENDENT BASIS)

5.1 Without prejudice to clauses 2 and 3, and as a separate and independent basis, if and to the extent a Confirming Party is, or is deemed to be, a **co-author** of the Work, that Confirming Party **waives the exploitation of its share of the rights**; and, by this waiver declaration, **its share passes to the Author** as the only other author of the Work (Art. 9(4) of the Law).

6. MORAL RIGHTS

6.1 The Parties acknowledge that under **Art. 22(1)** of the Law moral rights **cannot be transferred or licensed**, and this Agreement does not attempt to do so.

6.2 To the extent a Confirming Party holds or claims any moral right in the Work, that Confirming Party (a) **waives**, to the fullest extent permitted by the Law, any moral-right claim over the Work, and (b) **consents**, for the purposes of **Art. 22(2)** of the Law, to the Author's use, reproduction, modification, distribution and exploitation of the Work. The Parties note that the right of regret (Art. 21) is protected only during the author's life (Art. 64(2)) and, in any event, does not apply to computer programs (Art. 21(4)).

6.3 The Author's own moral rights — the right of first publication (Art. 18), the right to be recognised and named as author (Art. 19), and the right of integrity (Art. 20) — remain his and are protected **without limitation in time** (Art. 64(1)).

7. COVENANT NOT TO ASSERT

7.1 Each Confirming Party covenants not to assert, and not to assist any other person to assert, against the Author, his successors, assigns, licensees or customers, any claim of ownership, authorship, co-authorship, moral right or compensation in respect of the Work.

7.2 Each Confirming Party covenants not to contest any assertion by the Author of ownership of the Work.

8. NO ADMISSION OF WRONGDOING

This Agreement is not an admission by any Party of any wrongdoing. It is a good-faith record of facts and a settlement of any present or potential doubt about ownership.

9. WARRANTIES

Each Confirming Party warrants that: (a) the facts they confirm in clause 2 are true to the best of their knowledge; (b) if they contribute, the contribution is their own original work, or they hold all rights necessary to assign it; (c) they have not previously assigned, licensed, encumbered or promised any right purported to be assigned here; (d) they have disclosed in writing any third-party or AI-generated material relating to the Work of which they are aware; (e) they have **full legal capacity** and authority to enter into this Agreement; (f) they are under **no employment, commission, contract or other legal obligation** (including any employer or client claim) that would prevent them from entering this Agreement or that would vest any right in the Work in any third party; and (g) no third party holds any right in the Work derived from them.

10. CONFIDENTIALITY, THIRD-PARTY DISCLOSURE AND AI TOOLS

10.1 Each Party shall keep the **Confidential Information** confidential and shall not disclose it to any third party without the Author's prior written consent.

10.2 Without limiting clause 10.1, **disclosing or uploading the Confidential Information to an external, third-party artificial-intelligence, cloud-computing or data-processing service that is not under the disclosing Party's sole control is a disclosure to a third party** for the purpose of clause 10.1 and requires the Author's prior written consent.

10.3 Clause 10.2 does **not** restrict disclosure: (a) to a Party's own legal, tax, financial or other professional advisers who are under a duty of confidentiality; (b) as required by law, a court or a competent authority; or (c)

of information that becomes public other than through a breach of this Agreement. Nothing in this clause limits any Party's rights over their **own personal data** under **Law No. 06/L-082 on Protection of Personal Data**.

10.4 A breach of this clause does **not** affect the validity or continuing effect of the confirmations, assignment, waiver or covenants in this Agreement, which remain in full force. The remedy for a breach of this clause is **compensation for the loss proven to result from the breach**, and **not** the loss or forfeiture of any right under this Agreement.

10.5 The Parties acknowledge that a Party who owns no right in the Work (see clause 2) has **no right capable of being forfeited**, and that nothing in this clause creates, transfers or confirms any ownership.

11. CONSIDERATION

11.1 As consideration for the confirmations, assignment, waiver and covenants in this Agreement, the Author grants each Confirming Party the recognition stated on their signature line (if any) and **one euro (€1.00)**, the receipt of which each Confirming Party acknowledges.

11.2 The Parties record that the Work is **software**; under **Art. 44(2)** of the Law, the remuneration and revision rules in Arts. 40(4), 41, 42 and 43 of the Law **do not apply to authors of computer programs**. Accordingly, the consideration stated in clause 11.1 is final and no further remuneration may be claimed.

12. INDEMNITY

12.1 Each Confirming Party shall indemnify and hold harmless the Author against any loss, damage, cost or third-party claim arising from (a) a breach of the warranties in clause 9, or (b) any claim by that Party to rights in the Work that is inconsistent with this Agreement.

12.2 This obligation survives the termination or expiry of this Agreement.

13. FURTHER ASSURANCES

13.1 Each Confirming Party shall, at the Author's request and expense, promptly execute any further document and do every reasonable thing necessary to give full effect to this Agreement and to evidence, record, notarise or register the transfer of any right.

14. VOLUNTARY CONSENT AND INDEPENDENT ADVICE

14.1 Each Party confirms that they have read this Agreement, understand it, and sign it **freely and voluntarily**.

14.2 Each Confirming Party confirms that they have had a **reasonable opportunity to obtain independent legal advice** before signing and either did so or chose not to.

14.3 Each Party acknowledges that they have **not relied** on any statement, promise or representation outside this Agreement, and that this Agreement is entered into without any threat (**kanosje**, Art. 45 of the Obligations Law), essential error (Art. 46), fraud (Art. 49) or undue influence.

15. NO PARTNERSHIP, AGENCY OR EMPLOYMENT

Nothing in this Agreement creates any partnership, joint venture, agency, employment or fiduciary relationship between the Parties, or any right for a Confirming Party to represent the Author or the Work.

16. GOVERNING LAW AND JURISDICTION

16.1 This Agreement is governed by the **laws of the Republic of Kosovo**.

16.2 The Parties submit to the exclusive jurisdiction of the **competent courts in Prishtina, Republic of Kosovo**.

16.3 Supplementary matters not regulated by the Law are governed by the applicable provisions of the **Obligations Law** (Art. 40(7) of the Law), as permitted by Art. 2 of that law. The Parties confirm that the rights of the Author under this Agreement must be exercised in good faith (Art. 4 of the Obligations Law).

17. MISCELLANEOUS

17.1 **Entire agreement.** This Agreement is the entire agreement between the Parties on its subject matter and replaces any prior understanding, whether written or oral.

17.2 **Severability.** If any provision is held invalid, the rest remains in force, and the invalid provision is replaced by one as close as possible in effect, so as to give the Author the fullest protection permitted by law (see also Art. 39(3) of the Law).

17.3 **No third-party rights.** No person other than the Parties and the Author's successors and assigns has any right to enforce this Agreement.

17.4 **Counterparts and electronic signature.** This Agreement may be signed in separate counterparts, each of which is an original. An electronic or scanned signature has the same effect as a handwritten one. A wet-ink original is the safest evidence and is recommended.

17.5 **Notices.** Notices are sent to the Parties at the addresses stated in this Agreement or their last known address. Notice by email is deemed received on the day of sending.

17.6 **Survival.** The clauses on confidentiality, warranties, indemnity, further assurances and governing law survive the termination or expiry of this Agreement.

17.7 **Copies.** Each Party receives a copy after signing.

18. EXECUTION AND EVIDENCE (OPTIONAL NOTARIZATION)

18.1 The Parties may have their signatures **certified or solemnised before a notary** in the Republic of Kosovo under **Law No. 06/L-010 on Notary**. A notarized deed is directly enforceable (Art. 43 of that law) and has strong evidentiary value. Notarisation is **optional**, not required for validity.

18.2 **Apostille.** If a Party signs outside Kosovo, that Party's signature may be accompanied by an **apostille** under the Hague Apostille Convention.

SIGNATURE BLOCKS

Each person signs only their own block. By signing, each Confirming Party confirms that they have **read and understood** this Agreement and sign it freely.
