TEAM CONTRIBUTION & IP CONFIRMATION AGREEMENT

Playground Life

This Agreement is made on _____ _____ **20**_____ between:

- **Erion Beka**, of Str. Zekeria Cana, House No. 4, Laxha e Profesoreve, Prishtina, Republic of Kosovo (the "Author"); and
- **the four persons named in the signature blocks below** (each a "Confirming Party", together the "Confirming Parties").

Each a "Party" and together the "Parties".

Recitals

(A) Erion Beka created the software, documentation, designs and assets known as **"Playground Life"** (the "Work").

(B) The Work originated as an idea at the **pristina.innovate.healthcare** hackathon (04–06 April 2025). The present codebase was created **after** the event, beginning **April 2026**, and is not a hackathon submission.

(C) The Parties acknowledge that, under **Law No. 08/L-205 on Copyright and Related Rights** (Official Gazette No. 22/2023, 12 October 2023; in force 27 October 2023) (the "Law"): the author is the natural person who created the work (Art. 7); copyright arises automatically on creation and requires no registration (Art. 15); and joint authorship requires a **joint creative effort** (Art. 9). A person who made no creative contribution is **not an author** and holds **no copyright** in the Work.

(D) To remove all doubt, each Confirming Party confirms the facts about what they did or did not do and, to the extent any right or claim of theirs exists in the Work, assigns and waives it in favour of Erion Beka.

The Parties agree as follows.

1. Confirmation of facts

1.1 Each Confirming Party confirms that, to the best of their knowledge, they did **not** create, write, design or contribute any part of the Work, except as individually stated on their signature line below, and that Erion Beka is the person who created the Work.

1.2 Each Confirming Party confirms that they were not engaged by Erion Beka (or by anyone else) as an employee, contractor, consultant or co-author in respect of the Work, and were not paid or promised anything for it, except as stated on their signature line.

1.3 Any specific contribution a Confirming Party believes they made must be described in writing on their signature line. A line left blank is confirmed as **"none"**.

2. Confirmatory assignment

2.1 To the extent — and only to the extent — that any Confirming Party owns or may be regarded as owning any copyright or related right in the Work, that Confirming Party hereby assigns to Erion Beka, absolutely and with effect from the creation of the Work, all of their right, title and interest in the Work, including all economic rights under Art. 23 of the Law and all rights to remuneration.

2.2 As a result, Erion Beka is the new and sole owner of the rights assigned (Art. 37(1)).

2.3 **Scope (Art. 38).** Nature and extent of use: all forms of exploitation of the Work. Validity period: the entire legal term of copyright protection (the author's life plus 70 years, Art. 65(1)). Territory: worldwide. Remuneration: none required (clause 8). The Parties deliberately choose the broadest lawful scope; otherwise the Law would imply a term of only 3 or 5 years (Art. 38(3)) and a territory limited to the Republic of Kosovo (Art. 38(2)).

3. Existing works only

This Agreement covers only the existing, identified Work. It does not purport to assign or authorise any right in an indefinite number of as-yet-uncreated future works, which under Art. 39(1) of the Law would be invalid.

4. Moral rights

4.1 The Parties acknowledge that under Art. 22(1) of the Law moral rights cannot be transferred or licensed, and this Agreement does not attempt to do so.

4.2 To the extent any Confirming Party holds or claims any moral right in the Work, that Confirming Party (i) waives, to the fullest extent permitted by the Law, the right of regret under Art. 21 and any moral-right claim in respect of the Work, and (ii) consents, for the purposes of Art. 22(2), to Erion Beka's use, reproduction, modification, distribution and exploitation of the Work.

4.3 Erion Beka's own moral rights (to be recognised and named as the author, and the right of integrity) remain his and are protected without limitation in time (Art. 64).

5. Covenant not to assert

Each Confirming Party covenants not to assert, and not to assist any other person to assert, against Erion Beka, his successors, licensees or customers, any claim of ownership, authorship, moral right or compensation in respect of the Work.

6. No admission of wrongdoing

This Agreement is not an admission by any Party of any wrongdoing. It is a good-faith record of facts and a settlement of any present or potential doubt about ownership.

7. Warranties

Each Confirming Party warrants that: (i) the facts they confirm in clause 1 are true to the best of their knowledge; (ii) if they contribute, the contribution is their own original work, or they hold all rights necessary to assign it; (iii) they have disclosed any third-party or AI-generated material relating to the Work that they are aware of; and (iv) they have full capacity and authority to enter into this Agreement.

8. Consideration

As consideration for the confirmations, assignment, waiver and covenants in this Agreement, Erion Beka grants each Confirming Party the recognition stated on their signature line (if any). The Parties acknowledge that no monetary payment is required for the validity of this Agreement.

9. Further assurances

Each Confirming Party shall, at Erion Beka's request and expense, promptly execute any further document reasonably necessary to give full effect to this Agreement and to evidence, record or register the transfer of any rights.

10. Governing law and jurisdiction

This Agreement is governed by the laws of the Republic of Kosovo. The Parties submit to the exclusive jurisdiction of the competent courts in Prishtina, Republic of Kosovo. Supplementary matters not regulated by the Law are governed by the applicable Kosovo law on obligations (Art. 40(7) of the Law).

11. Miscellaneous

11.1 **Entire agreement.** This Agreement is the entire agreement between the Parties on its subject matter and replaces any prior understanding.

11.2 **Severability.** If any provision is held invalid, the rest remains in force and the invalid provision is replaced by one as close as possible in effect.

11.3 **Counterparts and electronic signature.** This Agreement may be signed in separate counterparts, each of which is an original. An electronic or scanned signature has the same effect as a handwritten one.

11.4 **Copies.** Each Party receives a copy after signing.
